

## Why Use Xpress Nebs?

### *Quick Delivery!*

By a local sales representative.

### *Simple One Page Form*

Faster & easier than many other program forms. You can fax, mail or we will pick them up.

### *Great Customer Service*

From your sales representative to our friendly office staff.

### *Patient Follow-up and a 24 Hour Hot Line!*

We call all your patients.

### *In Network with Most Major Insurances*

No need to call around.

### *No Insurance?*

We work with your patients and we donate nebulizers when needed. Just ask!

## *We supply you the market's leading nebulizers!*

Xpress Nebs focuses on a niche market: nebulizers. We offer you the best and latest nebulizers at an affordable price for your patients.

### *Supplying the Market's Leading Nebulizers and Compressors*

Respironics & Pari

### *Character Compressors*

Sami the Seal (seen to the left) is an option to entertain or calm your pediatric population.

### *Premium Bags*

Our nebulizers are easy for patients to carry because they come packaged in a premium carrying case with a shoulder strap.

### *Portable Compressors*

For your on-the-go patients. MiniElite or Trek.

### *Supplementary Products*

We also stock holding chambers, peak flow meters, asthma packs and replacement neb cups.
